Open Studio

Hi everyone!

February's Open Studio at Fulton Crossing is upon us this Friday, February 16 from 5 - 8 pm. This event features the work of David Saccheri.

"Exhibiting in our Front Room Gallery, his current work is painted in a "Photo Impressionism" style; David identifies himself as a lover of color. David Saccheri has spent the majority of his life in the San Francisco Bay Area, where he worked as an illustrator & conceptual artist in the computer gaming & film industries. He has taught digital & fine art both privately & at the college level."

I will have a few new pieces in my studio that I've been working on as well. And I'll have my digital portfolio available for viewing!

Hope to see you there!!! talk soon...
