## VCS is hosting our Bi-Annual Pumpkin Walk

The Pumpkin Walk is an opportunity for our community to get together and celebrate the October/Halloween season in a more innocent and magical way than the mainstream scare-fright fest.

First, we assemble around a campfire and tell stories, sing songs, and do dances of the season.

The Fairy Garden and Big Garden are lined with lit pumpkins, candles (LED only) and twinkle lights for the kids to explore as the sun goes down.

Hot apple cider and simple snacks will be served and (sometimes the most memorable part of all) the children can play into the night amongst the twinkle lights and pumpkins.

Your part? (Besides bringing your children) Please bring a carved pumpkin (with LED light inside). The more the merrier! It is what makes the magic!

And please DO come! It's old-fashioned, it's memorable, it's what your heart has been longing for!
