

## Web Posting Required for 2017-18 Education Protection Account

### Village Charter School

The passage of Proposition 30 from the November 2012 elections created the Education Protection Account (EPA) to collect the temporary increase in taxes through 2017-18. These monies account for approximately 20% of the district's Revenue Limit funding, which will be received in one payment in June. Funds will be tracked with resource code 1400 in the budget and will be used for unrestricted instructional salaries and benefits.
