

## National Library Week

Dear Educators,

Happy National Library Week! We are very happy to serve the community of Windsor and thank you for your support.

We have a new Branch Manager at the Windsor Library. Aleta Dimas has joined us from San Jose Public Library and is bringing great experience and expertise to our branch. We are very excited to have her at the library. Please come in and introduce yourself when you get a chance.

Thanks to Measure Y funds, we are now open until 6 pm on Saturdays.

We are gearing up for summer reading starting on June 1<sup>st</sup>! Our big kick off event will be on the Town Green on Tuesday, June 5 at 6 pm. Mark your calendars.

We just added another e-resource for our patrons, digital e-book and audiobooks in Spanish! This service is called "Odilo" and allows you to download titles straight to your tablet. For more information please see our website at:
