As we have continued to work through this process, we have received feedback that committing to specific days and/or weeks is difficult for families. In an effort to address that concern, we are switching to a prepaid sliding punch card type system. We are now just asking that you prepay for however many days total you would like for your child(ren) to participate. (Each child will require their own punch card). The prepaid punch card rates would be as follows:

1-9 \$40/day

10-19 \$35/day

20-29 \$30/day

30-34 \$25/day

35-40 \$20/day

(10% off each additional sibling's camp pass)

(As an example, if your child will be at camp 2 days a week for the full 8 weeks of camp you'll be at a total of 16 days at the rate of \$35/day for a total of \$560.)

Total number of days _____ X _____ daily rate from scale above (- 10% sibling discount, if applicable)
= \$ _____ total due.

We are asking for a deposit of ½ your balance by Friday, May 18, with the remaining balance due no later than June 1.
