## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

The Village Charter School, founded in 1999, is a nonprofit, independent public charter school in Santa Rosa serving children in Sonoma County as a part of the Windsor Unified School District. Our Mission is to provide an ecologically-conscious, multi-cultural, creative and meaningful educational experience in a small, positive and peaceful school environment. The Village is a school where world cultures are explored, our connection to nature is honored, and character development is nurtured. Our school is a place where the intellectual, imaginative, and humanitarian promise of each student is cultivated and celebrated in a community that practices mutual respect, embraces diversity, and inspires a passion for learning. At the Village Charter School we believe ALL our youth must be educated, so education must be broad enough, deep enough and diverse enough to embrace every child, each with his or her individual personality, abilities, challenges and background. We strive to achieve a diverse student body, and value students of all cultures -- gender, socio-economic, abilities, race, ethnicity, etc. We strive to educate the whole child physically, emotionally, socially and academically at the child's developmental and age appropriate level within a multi-age setting, which fosters appreciation of diversity in an environment that includes everyone. Our unique curriculum focuses on providing a multicultural, whole world education and encouraging the feelings of joy built around personal and social responsibility.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	52	N/A	44	N/A	50	N/A
Mathematics (grades 3-8 and 11)	37	N/A	29	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### Opportunities for Parental Involvement (School Year 2020-2021)

The Village Charter School is a cooperative organization where parents and staff work together to ensure the success of our students. Parents are integrated into all aspects of the school’s operation, and their participation, both inside and outside of the classroom, is essential in creating and implementing the school’s educational program and maintaining its supportive environment. There are multiple opportunities for family participation at different times to accommodate varying schedules and skill sets.

Each year faculty have 4 days of professional development--2 before the year begin and 2 during the school year. Included in these days are two faculty retreats per year where faculty members work together to refine the school vision, measure successes and target improvement areas. Faculty have attended courses/conferences such as Public School Institute, BTSA, California Math Conference, Understanding by Design Curriculum Design Program, Bioneers, National Association of Independent Schools Yearly Conferences, California Kindergarten Conference, the Gesell Institute of Child Development, Occidental Arts & Ecology Center (School Garden Program), Rudolph Steiner College, and Proprioceptive Development.

In addition, each Wednesdays is a minimum day with dismissal at 1 pm. Teachers use this time for meeting, collaboration and lesson prep.
