VCS Creek Clean-a-Thon Impact

- **10** Years of Community Stewardship
- **170** Volunteers Participating
- **255** Hours of Service
- **4,000+** Pounds of Trash Removed

Dear Community Partner,

At Village Charter School, we seek to educate our students on the importance of environmental stewardship and the power of people to make change. Our campus enjoys the local Community Youth Park with Peterson Creek running through it. Unfortunately, we see the damaging effect of trash and debris on the habitat. Litter and pollution threaten the clean water that all plants, animals, and people depend on. For over a decade, our students have been engaging the community to make a meaningful impact by hosting our annual event, the VCS Creek Clean-a-Thon.

We are proud of what our students have achieved, but they need our help. As a valued member of the Sonoma County community, we invite you to participate by becoming a sponsor. All donations directly support our school and our clean-up efforts. As a sponsor, you will be acknowledged in event materials, press releases, and signage. Our promotion of the event provides valuable exposure to a diverse audience, acting as a platform for businesses like yours to engage with the community, fostering a sense of unity and shared responsibility for the environment.

Sponsorship is easy at our [Creek-Clean Up event page](#), or by scanning the QR code below. We can also accept checks made out to VCS. No gift is too small, and all donations are tax deductible with the non-profit tax ID# 26-0642896. For more information, or to confirm sponsorship and logo information ahead of our printing deadline on April 4th, please contact Stacey Collins at staceymorkcollins@gmail.com.

With gratitude,
Village Charter School Students, Staff, and Families
